“ Thinking of you Uncle Doug on these days ahead. May the Lord wrap you in his arms of peace. May the sweet memories of your years and years together flood your heart and may you feel her love in all you do. Your marriage is like no other and the love you shared is a picture of beauty.

“ I will forever love and cherish my Aunt Evelyn! I was blessed to get to know her like I did, even though the distance between Mikado, Michigan and San Antonio, Texas was far. All her trips to MI I would spend hours watching her get ready in the morning and talking to her. The trips we made as a family to visit Uncle Doug and Aunt Evelyn and then the trips on my own and bringing my own children. A heartfelt thank you for all the support and guidance over the years. You were always there. I will never forget you and I will keep my promise to watch over Uncle Doug and keep my eye on him! ❤️

*My darling you gave me 73 years of blissful marriage and thousands of memories that I will carry with me for the rest of my life. I was gone so much of our life together and you had to do everything. Now the tide has turned and it is I who will carry the burden of doing everything that you so willingly did. But I can have the satisfaction of knowing you are still beside me making sure I do everything in the manner established by you. Our love for one another will not end with your departure - it will only grow if that is possible. I know you will be with me and encouraging me in everything I do from now on just as you have done in our 73 years of marriage. I always had your full support in everything I attempted and I know you will still be there encouraging me on. Thank you for your love and support for all those years. I love you, Doug*
