“ *Sis, I pray that your last breath here on earth was your first breath in heaven. Ony God understood the value of your life and wanted you home. I believe that the world will remember your gorgeous face, your kindness, your heart of gold, but most of all, your precious smile. Soar with the angels now, as they lead you home to Diosito. You were too good for this world...may your memory be eternal. 'Precious Treasure, we give you back to God.'*
