“ Grandpa it's me your grandson Davey. I just wanted to let you know I love and miss you sooo very much 😭. I have and will forever hold great moments and memories of when Johnboy (My baby brother) and I were little. All those times after school in elementary being there and all the summers we spent there with grandma and grandpa. The numerous times we went with you to the baseball field to clean up after the games on Sunday. Me and John picking up all the cans, taking them to recycle and you both letting us split the money for it. Also me and John riding in the back of your pickup truck on your toolbox all the way to the baseball field. (Now a days that's unheard of). Us on your lap letting us drive your truck, going to Mr. Gabriel's (Your real close friend) gas station (and you introducing us to peanuts in a coke bottle), letting us help you and Blackie (another close friend of yours) cut grass at the baseball field on the riding lawnmower, all those wonderful great and fun Easters on the go cart and mini bike. Those memories grandpa I hold so dear in my heart and will never forget them as long as I live. I know you had your demons and faults in your life like Uncle Robert mentioned. Everyone does. Nevertheless I am happy god chose grandma and you for my grandparents whom I love dear. I'm so blessed I was able to spend a few hours with you the day before you went to be with God. I will forever miss and love you Grandpa!!! Thank you, your grandson-Davey

“ One is blessed to have had a good friend and fellow servant of the Lord. We shared laughter, volunteer work, some stories of life experiences and broke bread together. More important we walked together in serving the Lord. With much love you remain in my family's daily prayers. Ruben Diaz and Family
