“ My name is Nancy and I’m Phillip Casarez’s girlfriend. I had the pleasure of meeting Grandma/Facunda almost a year ago at her home. She was such a sweetheart to me. Phillip introduced me to her and she gave me the biggest hug and kiss on the cheek. We went to the house very often and she always said, “aye mija! It’s been so long since you have visited. You need to come more often.” I can still hear her voice now. She told me stories of when she was a young girl in elementary school. She spoke of how she loved being a helper when she was in school. I am glad we were able to spend some time with her at the nursing homes as well. I did not know her for long but I know she played a big part in helping raise her grand children. She clearly loved being with family and her coffee. Phillip tells me stories of his grandma Vickie and it’s clear she made a major impact on his life. I’m glad he and his siblings were able to be so close to her. Thank you for allowing me to be apart of her celebration of life. Grandma will always be with us all.
