

## Felicitas Reyna Garcia

January 6, 1949 - November 28, 2025

Felicitas Reyna Garcia a San Antonio, Tx native born on January 6, 1949 went to be with the Lord on November 28, 2025 at the age of 76. For the family, this is not a goodbye, but "I'll see you later!". Felicitas was a person with the biggest heart and was loved by many for her funny yet loving personality. She loved music, spending time with family, and going to bingo. Throughout her life she enjoyed being a wife, mother, and grandmother, even to those that weren't related to her, she ensured everyone felt loved, as family was first to her. She was creative and loved to cook, she has created decorations for events, made easter baskets, and catered events, as well as sold out on food she made to sell, because her cooking was that good. But, due to health issues, she was not able to continue on that path, although that did not diminish people still coming to her for her talents, she just did it on a smaller scale. She loved music so much she even married a musician/singer who serenaded her whenever she wanted, until his passing. On that note, she will truly be missed and we will continue remembering her for her strength, perseverance, kind heart, and funny personality. She had a way of truly capturing the hearts of all those she interacted with, and we all have our stories and amazing memories with her, that we will always carry in our minds and hearts. We all know that she is no longer in pain and resting in a better place, she is our angel now, looking over us.

She is preceded in death by her parents Jesus and Virginia Leyva, daughter Armandina Rodriguez, and spouse Jose Garcia.

She is survived by her sons Gilbert C. Muro Jr. /Spouse Debbie Muro, son Robert Rodriguez/Spouse Diana Rodriguez, Michael Rodriguez/Spouse Cindy Rodriguez, Armando Rodriguez/Spouse Carolina Rodriguez. Her siblings Hector Leyva, Joe Jose Leyva, and Rachel Villegas. As well as 14 grandchildren and 11 great-grandchildren.

“ I met Felicita when my granddaughter married Dom and it was a pleasure in having to know her. She was a beautiful woman and got to know her very well. She said made tamales for Christmas and enjoyed seeing her grandkids and great grandkids. Dom was a grandson that I am sure he kept her going. I could see the love he had for her always playing around with her. She told me how much her husband like to play his accordion. I admired this woman because she also reminded me of my mom. I told her I would never forget her birthday because that was my mom’s birthday. The day of the kings. Such a special day to be born on that day. Ruben and I will miss you.
