“ *Felicity was my beautiful cousin I saw her as my older sister, she was my world I loved her with all my heart, I remember new years we were all sitting on the balcony and when the time hit 12 the first person I hugged was her I honestly didn't get to say goodbye. That day was the last time I saw her until Janurary 19 when we got the news we were all heartbroken, I never thought this would happen to such a beautiful soul. I thought I was gonna see her one last time after new years but, i never got the chance to do so. So Feli may u rest in peace I'll forever miss you sis I love u and I love u forever.*

“ My Felicity! 💔 Working with you was such a pleasure. You were so easy to get along with, feisty and determined. You shared so much with me and I looked forward to seeing what you'd accomplish. You were talented and brave. Your words/encouragement always meant a lot to me because I knew you were genuine and when we got into it, it didn't last long. My last day seeing you, you expressed how much I helped you. I'm glad I was able to express that you helped me as much. You are truly missed. I pray your soul is at peace, Felicity. 💚

“ I miss you sm I should have hugged you longer when I last seen you, who knew I'd have to continue without my truest friend , I have sm to say but I don't have the words I'm js hurt , every time the question are you okay comes up I js say yes or don't say nothing at all cause it to complicated to explain how heavy my heart is and how hard it's been but I have faith you found peace the last scripture I sent you was genesis 31:49“may the lord keep watch between you and me , when we are away from eachother “ and the last time I seen you I took you out for the first time I will never forget that I wish we would have simply js had more time , I love you unconditionally Felicity ❤️ I'll see you when my time comes 🕊️foreverfelicitysworld💕
