Our father was a very dedicated family man who at times worked two jobs to meet the needs of his family. His love for our mother was unwavering.

Our father was a great example of what a man of God should live like and to be a person of integrity. Our father was also a very comical man.

We thank our heavenly Father for the number of years that He allowed us to enjoy our father's life on earth. We know you are enjoying being in the presence of the Lord, free from suffering, and now in the company of other family members who have gone before us.

Until we are all together again, you will always be in our hearts and bring a smile to our faces.
We love you dad!
