We are very sorry to know about it that late which took us by a surprise while we were scanning through the funeral home's website to attend another service. “ Love and Prayers with Alys/Robert n Christine.....I didn't get to see Felix very often being away but he always asked how things were going and he always had a hug when I did get to see him....when he spoke to you he made you feel like no one else was around and listened to what you had to say....Love and will miss you my Big Brother...Rest in Peace
