“*Felix always took care of me growing up. He looked out for my well being and he always threw down the sweetest fades making sure my hair was always on point. Felix would give you the shirt off his back. Or in my case, the shoes off his feet. I will never forget the pair of Jordan's (16's I think) he handed down to me when we were just teenagers. He knew it bothered me to show up at the park to ball up in my payless shoes. The same day he got a new pair of shoes he handed me down those J's! These are memories you never forget.*

RIP Flex

“ Felix was my next door neighbor. I only knew him for 2 1/2 years. But in that short time he had a very positive impact on my life. I was sick when I moved here and after a year I was diagnosed with stage 4 cancer and given 6 months to a year to live. In my darkest time Felix was there for me. He befriended me. he always had words of encouragement for me. Watched me lose 70lb. When I was too sick to walk he brought me things. Felix always made me feel welcome inviting me over whenever they were hanging out back having a beer and a fire going. Felix reminds me of the parable Jesus told about the Good Samaritan. (A man was robbed beaten and left for dead on the road. A holy man came by and walk on the other side of the road ignoring the man, then a priest came by and did the same. Then a Samaritan came by and took pity on him. Bandaged up his wounds, gave him food and water and placed him on his own animal and took him to town to the Inn. Paid the Inn keeper to take care of him till he was well. and if the Inn keeper spent more on the mans care he would reimburse him when he returned). Jesus then asked the disciple which one is the mans neighbor? The disciple answered the one who took care of him. Jesus said you have spoken well go and do like wise. Felix was my Neighbor in the truest sense of the word. I pray that we all have Felix's heart of helping and encourage others. Felix you are remembered and missed. Thank You for your kindness to a stranger. May God look after and bless your family.
Sincerely, your next door neighbor Bob Remington

“ *A young man taken too soon. I remember Felix as a well mannered guy whom always had time to stop and say hello even when in a hurry to go somewhere. He was a very friendly person that could change a persons negative thought into a lesson learned. You will be greatly missed "pollito" Felix.*
