“ I first met Felix in kindergarten. Of course since I was a little girl, the "boys" didn't want me hanging around. A sort of he man women haters club. Lol. But it didn't bother Felix. He was my cousin's best friend, martin Vasquez. The crazy stories were straight out of national lampoon movies. Loved, loved, loved his family. He and martin are probably getting into trouble as we speak. Praise the Lord you are home. See you soon, Felix. Keep an eye on my husband. You remember him. Rick. He has been there for a year and a half. Introduce him to Martin. Stay out of trouble boys.
