“ *Felix, You weren't only my older brother, you were my best friend. You were always there when I needed you most. There's so many things left undone. You kids will always have me when needed. You will be missed but never forgotten. I'm so lost for words right now but I want you to know that you will truly be missed and I will have a place in heart for you.*

“ *Felix, you were taken from this earth a little earlier than most expected, but there is a reason God wanted you sooner. Only God will know the answer to why, but you are now hanging out with our creator. You will be missed brother. My condolences to friends and family. - Donato Arredondo*
