

Fernando "Guero" Perez

September 27, 1951 - December 11, 2025

Fernando "Guero" Perez entered eternal rest on December 11, 2025, at the age of 74. He was born on September 27, 1951, in Tamaulipas, Mexico, to Fernando Perez Rivera and Justa (Loredo Briones) Perez.

He is preceded in death by his parents. Guero leaves behind to cherish his memory his son, Orlando Perez and Michele Trevino; daughter, Steffany Perez; cherished granddaughter, Justyne Perez and her husband Abdel DeLeon; treasured great-grandson, AJ DeLeon; ex-wife and friend, Lydia Perez; numerous other loving family members and friends.

Before opening his own business, he worked for eight years in Houston, Texas, at Mortal Hall Ford, where he developed the deep automotive skills that shaped his career. He later became the proud and well-respected owner of Perez Texaco then later Perez Automotive on the Southside of San Antonio for over 30 years. Many could catch his prize '56 Chevy flying down the track during the Alamo Dragway days.

Fernando loved the simple joys of life—fishing, hunting, and building and racing cars with his son. These passions, shared with family and friends, became lasting memories for all who knew him.

“ Te echaré mucho de menos, mi querido amigo. Fue una bendición contar con tu amistad, especialmente en los momentos difíciles. Tu compañía fue como una terapia, ayudándome a superar los momentos difíciles y transformarlos en momentos agradables .

Gracias por las sorpresas de cumpleaños que organizaste cuando me sentía sola; nuestra amistad se convirtió en un verdadero lazo familiar. Creo en el profundo poder de la conexión divina y en que las personas entran en nuestras vidas por una razón. Le doy gracias a Dios por la oportunidad de haberte conocido y siempre atesoraré los maravillosos momentos que compartimos. Somos los Perez!! Para siempre ☐
