Fernando also known as Tom, a nickname his mother gave him when he was a young boy, loved music and played the saxophone in high school for the Fox Tech marching band. He continued performing for many years with a local Tejano Orchestra, Ruco Villarreal. Professionally he was a subject matter expert in automotive transmission repair. He went to a trade school in San Antonio and became a mechanic. Fernando worked for Aamco transmission for a few years then decided he would venture out on his own and opened his own business Ramco transmission which he called home. He truly believed a person should be fair and have high work ethics. He appreciated his career

and loved serving the community by providing customers an auto repair shop they could depend on. Serving the community for over 50 years, Ramco transmission is Fernando's legacy and will never be forgotten.

Tom's hobbies included hunting and fishing with his family and friends.

Attending Transmission expo in Las Vegas, and just simply enjoying the day with family and friends and a nice cold beer.

Fernando's kind mannerism, excellent work ethics, and loving heart will be greatly missed by all who had the pleasure to know him.
