“ Frankie was a very dear and special friend and sister to all of us in our weekly Bible Study/prayer warrior group for many years. She was devout, faithful, genuine, generous, caring, wise, and oh so strong . . . a true woman of God, who we all greatly admired and loved deeply. Each and every one of us was truly blessed to have known her and called her our sister-in-Christ. We will sorely miss her, but she will live in our hearts forever. Rest now, dear sister, in the arms of Jesus. ❤️🙏❤️

“ We were saddened to learn about Frankie. We've known Frankie since the 1960's when we were all students in Austin. She was attending nursing school and we were UT students. My husband and Rene were roommates and we met Frankie when she and Rene were dating. She was just lovely and I've always thought she was one of the most beautiful blonds I've ever seen! Beautiful inside and out! She absolutely adored all of you and I know that the beautiful memories you have will always comfort you. I know we will cherish the memories we have of her also. And we will miss her, too.

May God keep all of you in His loving care.

“ I am saddened to learn of "Frankie's" passing. We went to high school together at Providence HS, then, to nursing school at Seton Sch of Nsg in Austin, transferring to St Paul's hosp sch of nursing in Dallas, when Seton closed at beginning of our last year.

We were suite mates in Dallas. She was a lovely person and the wise one in our circle of 4 from San Antonio; she had the car and would shuttle us home for our visits. More "serious" than the rest of us, she had a great sense of humor and an infectious laugh, and the best friend in every way, mature, a good listener, a faithful friend. She was a bridesmaid in my wedding and we kept in touch through the love of her life, Rene, and the birth of her children, twins plus one! Her Mother was a warm, supportive, loving person and I loved hearing Frankie telling stories of her mother's life in Cameron, Tx, on a farm. As years passed, we lost touch, our lives going in different and demanding paths.

She remains a significant person in my life. She was more mature than the rest of us at a time when we needed her stability and maturity to deal with all of the challenges we faced learning how to be a good nurse together and to live away from home. Nothing was too great for her to lose her calm wisdom and simple advise, when asked, never assuming she knew all the answers, helping us find our answers by just talking things over with her.

For her children and grandchildren, please find comfort in knowing she contributed so much to many in a life well lived.
