“ Meeting Frannie was a true blessing. Frannie welcomed my daughter into her home as our daughters became friends at the age of 4. My girl spent so much time there it was her other home.

*Frannie never judged people and just accepted you for who you are. I will miss this lady who loved with all her heart. She was an angel while on earth and now in heaven.*

*May I show a little bit of her compassion for others and honor her. I love you Mesa Family!!!*
