“ Ann & Nancy, I am so sorry to hear of your mother's passing. I will always remember the Halloweens growing up with your mom and her great witch outfit scaring the daylights out of us. My thoughts and prayers are with you and your families.

“ Ann: I didn't even know about her passing until the day of the service or I would have come too. Even though I never got to meet your mom in person, I did have the opportunity to speak to her several times on the phone. What I remember most about her
