

Francisca V. Macias

May 17, 1929 - June 14, 2020

Our beloved mother, Francisca Valdez Macias went to be with the Lord on June 14, 2020, at the age of 91, in San Antonio, TX. She was born on May 17, 1929 in Zuehl, TX. She is preceded in death by her parents, Manuel and Josefa Valdez; siblings, Heriberto Valdez, Stella V. Rodriguez, Elida Esparza and Ruben Valdez; and brothers-in-law, Guadalupe Hernandez, Frank Esparza and Leon Rodriguez. Francisca is survived by her loving husband of 62 years, Ignacio T. Macias, Sr.; children, Diana M. Salinas (Albert), Ignacio V. Macias, Jr. (Candy), Norma D. Gorley (Donald), Angelica M. Spinks (Michael) and Eraclio Eduardo Macias (Johanna); siblings, Reynaldo A. Valdez (Angeline); Olga Hernandez and Ofelia Benavidez (Preciliano); sisters-in-law, Felisa Valdez and Mary Ann Valdez; 14 grandchildren, 11 great-grandchildren, and numerous nieces, nephews, cousins and friends.

Our family would like to especially thank Mrs. Carmen Lopez with Hearts At Home Senior Care for her wonderful care and compassion that she has shown our mother these past two and half years.

Our beautiful mother was a devoted and loving wife and mommy and friend to all. She was a country girl at heart and loved reminiscing of her youth working alongside her Daddy at their family ranch. She loved keeping busy and she loved working outside in her yard and tending to her flower garden. Our mommy had a happy soul and loved to dance polkas, create special crochet

gifts for family and friends and spend precious time with her family. She loved to keep busy and was full of energy. We thank God for sharing her with us for such a long time. We will treasure the countless, happy and funny memories of her and we will miss her deeply until we are all reunited again.

Visitation will be Thursday, June 25, 2020 from 5:00 to 9:00 p.m. with a Rosary to be recited at 7:00 p.m. at Mission Park Funeral Chapels South. “ *First each of you have my deepest sympathy of your beautiful Mother, God bless her soul and May she Rest In Peace 🙏🙏🙏
Death is never easy but by the grace of God, time heals our hearts but our love ones are never forgotten.*

They never leave us. They are always with us especially keeping us safe, the feeling of their presence, hearing their voice in our ears, a touch, a smell that reminds us of them and even seeing them in our dreams.

And, then there are times we just cry and wish to see them one more time.

The separation of life and death of a love one is the hardest to accept and understand. We need to continue to live our lives to the fullest making our God the center of our life, until we are called Home by our Loving and forgiving God.

God bless each of you: God will give each of you strength through these times. 🙏

“ Grandma..... I don't even know where to begin, we've had some great times over the last 26years. Thank you for always taking care of me when dad was working hard. You would always make me breakfast eggs and chocolate milk and I would sit at the table with you and grandpa. Summers the cousins would come over Morgan and Andrew and we would go play outside or Andrew would take the longest naps leaving Morgan and I to play by ourselves lol now we are all grownup but I bet we still miss those times we had with you, I know I do. Thank for all the grandma remedies when I was sick and making me feel better. The last few months we've had tons of Laughs to where you could not breathe or stop giggling lol I wish we had more years together grandma protect us and watch over us from above. I love you so much thank you for everything
Till I see you again

“ Aww grandma grandma grandma, we had some fun times. I have so many memories of us kiddos at your house, which included my cousins Andrew, Zach, and Destiny. We would always have so much fun together.. while Andrew took 3 hour naps lol Every time we would be over, I would go to grandma and say grandma I'm bored Andrew doesn't want to play with me.. and she'd say do you want to learn how to sew or draw horses or help me in the kitchen. I would respond with saying okay sounds fun. My sweet grandma would always make the best of my stay, make my day memorable, and also make me laugh as she tried to translate her novelas to me. I remember my grandma would say, Morgan why aren't you eating are you in love? as well as are you hungry.. eat my finger hehe and also Morgan stay here with me I love you I'm lonely grandpa doesn't pay attention to me and she'd giggle). As you can see we've had some good laughs. My grandma was a character and she was feisty until the very last day on earth. I love you so much grandma thank you for always being loving, caring, strong, generous and bringing joy to our lives. I can see you dancing in heaven, and still feel your spirit with us at the same time. I will forever carry you in my heart, and have a piece of you on my wedding day. Until we meet again, tell Jesus hi for me and for Him to please send His Holy Spirit down on us. ❤️

“ Not sure where to start.... You always welcomed me with open arms. You always put everyone first. You would cook menudo every New Years Day for everyone and it was always a special day. We would all come with empty bellies and leave with full ones. You loved all of your husband, children, spouses, and grandkids unconditionally. We got to take care of you in the later years. We love you so very much. We feel you all around us, (as lil Eric says). Miss you bunches, till we meet again. ❤️🙏

“ Some of my greatest memories of my Grandmother are when I was young, she would make these beautiful stuffed animals for me. I remember playing in her yard as a kid with my cousins Andrew, Destiny, and Morgan. I remember the fruit punch she served us. I remember the AC in the backroom on full blast and the cold air being just perfect. However, the best memory is when my cousin Andrew showed me a special hidden treasure inside our favorite game Halo 2. We spent so long trying to get to it, many friendships would have faltered. But ours was unbreakable. We finally get to the treasure. We were on top of the world. But here comes Grandma. She tells us that she needs to get her sewing kit. She leans on my Xbox and pushes the power button. Not know what she has done, then she grabs her sewing kit, giggles, and walks off. As a kid, I was devastated. As an adult, it's one of the funniest stories I have. To this day I've never gone back for that treasure.

*Rest In Peace Grandma,
I'll see you again,
I promise.*
