“ Grandpa, thank you so much for all the beautiful memories we created and all of the life lessons you instilled in me. I'll always remember the fun we had at the horse races, the flea market, Rachel's Country Store, Eagle Pass, and our family gatherings. I'm grateful for all the years we had with you and my heart aches that you won't be with us in person but I know you'll always be watching us and with us in spirit. May you fly high with the angels and rest in peace forever with my beautiful Grandma by your side. I love you!

“ Mr. Casillas you will be greatly missed, may you rest in peace with your beautiful wife. Who will make noise now during those awkward silence moments as you always did not to mention the way you would speak your mind in your loudest whisper....Adios
