“ Frank and Minnie were my San Antonio grandparents. I loved to hear Franks stories of all the places he travelled as well as all the places he took Minnie to see. He shared with me that the two of them visited all 50 states!! His love of life and his dedication to his country, his wife and his family were admirable. We lost a great tender soul. My solace comes in the fact that he is now reunited with his dear sweet wife in our Fathers care.

“ Frank was my dear friend Andrea's grandfather. I absolutely adored hanging out with him! He had such a good heart and loved to have a good time! He'd go out to clubs with us and he even went to Fiesta events with us too! He will truly be missed. Praying for the Jimenez family in this time of great loss.
