In September of 2007, he moved his family to San Antonio, TX where he began working at Tesoro Petroleum Corporate offices as a Staff Reliability Engineer. Frank's greatest achievement was being a wonderful, supportive, and loving husband and father, providing for his family in every way. And as a minister,

helping others to learn about and draw closer to God, teaching them values that made him known as such a good man and a great friend. His joys and love were instilled into and will live on by all who are survived by him. His family looks forward to the day when they can be with him again. In lieu of flowers, contributions may be made to benefit Frank's children and an account has been set up with Frost Bank Acct # 211120298.
