“ Words cannot express the heartbreak that I feel. I miss you so much. My grandpa, I would do anything for you. I will forever miss asking you if you need anything, asking if you are ok, have you ate? You were always so thoughtful and caring and I loved that about you. You always had a smile on your face and would light up the room. We have so many memories together that I will forever cherish. Please watch over us all, until we meet again, I love you Grandpa.

“ My Pops (solo)

I'm going to miss hearing you call me sola and telling my kids I'm crazy, always joking around talking about me lol but I loved every moment of it. I'm going to miss your smile. There was never a dull moment. When you came to live with me, we became soo close and you were so close to my kids, Thank you for that, since they didn't get to meet their grandma, you were the best gpa to them. I use to come home from work, just seeing you outside when I would drive up would put a smile to my face, making chicken soup when I was sick, getting me a cake for my bday saying my full name lol debbie martinez. I will never forget those things. Now you left me to be with mom, I'm going to miss you so much solo but I know I have two guardian angels to protect me and my family. I will always cherish the memories we had. Love you pop, you will always be in my heart, I will never forget my parents, GO WITH JESUS!!!!!!

“ Grandpa - for as long as I can remember, you've always been my biggest supporter who was always front in center. I don't know how I'm going to do it not seeing you by my side but I'm going to continue making you proud....I'll always cherish the many memories & laughs we had. The luby's lunches with my sister & mom, the "pizza eater" nights or even just the "good morning mija, have a blessed day" moments :-)
While I feel my heart is broken right now, I know you are resting peacefully with grandma. Please light a candle up there for us all down here who are missing you very much. I love you Gpa!!

“ Uncle Frank ,
I thought of you today, but that is nothing new.
I thought about you yesterday and days before that too, I think of
you in silence, I often speak your name.
All I have are memories and your picture in a frame.
Uncle Frank your memory is a keepsake from which I'll never part.
God has you in his arms, I have you in my heart.
Love, Sylvia Perez

“ Some of my greatest memories of Mr. Perez are when he took
Debbie and I when we we're teenagers to a wrestling match I had
so much fun. He was a very caring, and giving person he would
make time to drop us of at the skating ring he would buy us one of
my favorite foods churches fried chicken and always smiling and
making us laugh when doing things for us. He made me feel like I
was part of the family. I will miss him very much. To the Perez's
Family I am praying that Gods Comfort and peace will be with you
at this time. I love you all.
