“ My brother is in my eyes still with me inside my heart and will remain there until we meet again. Gone are the times when you and I would sit in your back yard and solve the whole world's problems, talking about our youth and what we did along with all the rest of our memories. I'm gonna miss you lots but you'll ALWAYS be with me wherever I'm at. REST IN PEACE 🙏 MY BROTHER. LOVING YOU ALWAYS, KIP.
