“ I had the pleasure & honor of working with Frank from 2001-2008 and kept in touch throughout the years. We would go to his house for get togethers where you could see just how much of a great man/father/friend he was to so many. I will never forget his guidance and words of wisdom and always enjoyed his stories. This one hit tough today for me. Gone too soon.

“*Frank Taylor Is the most helpful, patient, kind, nurturing and loving person you could ever meet. He was such a blessing and presence to his church choir but especially his grandkids. I’ll never forget all the times he came with my mom to get me from the airport when I came home to visit. And I’ll never forget all the times he help me get to the VA when I retired from the military and I had to go and see them to get settled as a veteran. I’m going to miss your presence on this earth Frank, but may you rest in power in heaven And rejoicing all that you do for us here on earth.*”
