“ I have a memory that I don't think many know , Grandpa and I went this to Dominos Creek i believe is what its called. i had never done to much fishing . But I was excited never been with someone who knew a lot about fishing. We went and poom, we caught one fish then another then another. I think ended up with like 7 or 8 fish. Which for me was like boom. We are professionals . took them back home and mmmmmmm. (Also there was snake on his van tire which to Grandpa was no biggie , to me i was like snap didy snap snap .) Time to go Grandpa . A lot of love See you again Grandpa and do some real fishing in Heaven.
