“ I was just a first year apprentice, when I first met Frank over at AJ Monier. He used to come by my apartment in the mornings, so we could ride together. He was a character, & I wasn't sure what to think at first. But from that time on, he always took care of me, & I was fortunate to call him my friend.

*I knew Shorty & Babete, but not many others.*

*I know Babete looked over him, even when he maybe wasn't sure who she was. U done good Babete, & I am very sorry for Ur loss Bob Clark*
