“Dad, my heart aches. I had some special moments with you but not enough of them. I cherish each one of them. To wish for one more might be selfish of me because you have reached your reward but I can't help but to want to sit and talk with you once more. To get a letter from you one more time. To get another phone call. I have some awesome memories of you and for that I am thankful. I will miss you. Posted here is a 4 generation photo of you, me, Richard, and Wyatt. I love this picture of us so much. Love you, Dad. Love, Junior
