“ All my adult life, people would tell me that I was just like my Dad. I was always proud of that. I don't hear it much anymore, but I still cherish the reference. He was the man I wanted to grow up to be. I am what I am today, because of him. He set the standard very high, but it so easy to obtain. His rules were simple. Honesty, integrity and do the best that you can possibly do in whatever you attempt. Like Loretta said, "they don't make 'em like my Daddy anymore".

“ It was with a saddened surprise that I heard of the death of your father. I know that it is always a terrible shock when someone so close to you passes away. Your dad was the most warmest and kindest men I have ever known and I will never forget him. I wish to express my heartfelt sympathy to all the family. 🙏😭
