“ *Mrs Uriegas and Freddie*
We will always remember your dad as a wonderful person. So kind to everyone and anyone. We know he played a big part in his kids' life. He helped you all get ahead in life by helping out in any way he could. Participated in any events that came about. He was a pillar of strength for all his family. I know he will be missed. So so sorry for your loss.

What a wonderful person! I had the pleasure of knowing Freddie during my time at Seasonal. I often walked out to the patio just for the conversation with him. I remember, after I had been moved to another department, I went back to Seasonal for a visit and saw Freddie out on the patio; I felt as though we picked up right where we left off.

Thank you for sharing Freddie with us for 40 great years.

Mrs Uriegas and family,

I am so glad to have known Freddie for even just a short time. He welcomed me to Seasonal my first week and made a lasting impression. He was liked by everyone. My deepest condolences to you all.

“ There are many memories of my uncle Freddie, but I specifically recall a January 2006 (18 years ago!) wedding where it was a Bring Your Own Bottle (byob) reception. I remember having a lot of fun! And guess who was on that dance floor - Freddie!

I have a few photos here from the wedding event that I wanted to share. In one picture, you see Freddie picked up my niece who is probably about 3 years old and was in the middle of the dance floor. With a big smile on his face, Freddie scooped her up and we all danced. It was very sweet and kind. You can also see him dancing with his high school sweetheart and wife, Naomi (49 years of marriage wow!). I also took a picture of Freddie Jr and Naomi that I want to share as they both look so happy.

It makes me realize how special these moments are and how the memories will last forever. You will be missed Uncle Freddie.
