“ *My brother Adolph and I (Glenn) Hoffman wish to convey our heart felt condolences to the passing of a great friend. He was an excellent farmer and rancher in his own rights while helping his friends and neighbors with repairs of farm equipment and with contract machine work. He always had a friendly can-do attitude while handling our request punctually. One time he permitted me to use his hey rake when he personally had other deadlines. He always achieved the most in a days work and expected others to do the same. The loss of his eye didn't seem to slow him down a bit. Marion and family you may rest with an assurance that Tommy served his fellow man and farming community very well. He was greatly admired.*
