“ I don't know what made me think of your mom today but I did. I googled her name and found this. As Dick probably remembers she was my work mom and I loved her dearly. She taught me many wonderful things and loved me back. Even though it has been almost 40 years since I last saw her, I have not and will never forget the special moments I had with her. Love you forever, Frieda and look forward to meeting you in heaven one day. Becky (Goodspeed) Fosnock
