“ *My Dad was such a wonderful man full of life always smiling no matter what he had going on .. He was always willing to help without hesitation. He'd take the shirt right off his back and shoes right off his feet if you needed it. He was always finding the positive out of every situation. In my eyes he was my hero he was someone I looked up to no matter what. He always provided and took care of his family. Love you daddy You are now rejoicing with God and all his beautiful Angels. Til we meet again please watch over us* ❤️❤️
