“ *My brother loved his family so much. He called to check on his mother weekly and always asked about each one of his siblings by name. He was concerned for their well being and genuinely interested in their life happenings. His wife and daughter were his happiness. He was proud of his daughter and loved sharing all her accomplishments with us. He loved his wife so much, she was his strength and he worshipped her. He will be greatly missed. His lagu was memorable as was his positive and humorous character. We will grieve him for a long time and he will remain in our hearts forever. RIP brother.*
