“ Noelia I am deeply saddened at the loss of your daughter. I had not had the pleasure of meeting her but in getting to know you speaks to the beauty of her. Your heart is broken right now but the Lord is the mender of broken hearts. You will always miss her but take comfort in knowing that Gabby is absent from the body but present with the Lord that loves her.

“ Gabi was one of a kind, her contagious laugh, her beautiful smile and her kind heart will be missed by many, I had the pleasure of working with Gabi and getting to know her, I remember when she'd come to work and sit down and fall asleep on our down days.... lol everyone left her alone to let her recharge from the night before lol she always made us laugh and found the silliest joke hilarious....I will never forget her “zoolander” pose....she was something else.... Gaba Gaba you were taken from us to soon, but I know one day we will see each other again.  
*R.I.P. my beautiful friend.*

“ Gabriela was one of the greatest friends I ever had. Her smile would light up a room and she was loved by everyone she met. She had a laugh that was contagious and a personality that was so incredibly funny. She had the greatest sense of humor and she always got my weird jokes and references. I remember us going almost every Friday after work to this whole in the wall bar next to our work and we would dance like crazy people in our scrubs without a care in the world.... Gabi was just that friend that you found he yourself with and just have fun. This is a beautiful woman who will be missed immensely. I will always carry her smile and our memories in my heart. For all of us that are grieving her loss... know that she is not truly gone and this wasn't truly a good bye. If you have faith in our god above then you will know where she is, and you will know where you can talk to her when you need to, and most of all we will see her again when we join her in heaven some day.  
I love you Gabriela.
