

Gabriella Michelle Villalobos

October 22, 2011 - February 5, 2013

Gabriella Michelle Villalobos flew into our Lord's hands on February 5, 2013 at 4:55P.M. at 15 months old. Our "ladybug" Gabby had half a heart FULL of love. She touched more hearts and saved more lives than a person who lived 100 years. Her short life was a battle but with God by her side, she lived a full and happy life. Born with only half of a heart with 13 total surgeries, she was so full of love and life. Her smile could brighten your day. Our "ladybug" Gabby had half a heart FULL of love. She fought like a princess and showed us to believe in miracles. She was preceded in death by great grandparents Ramirez, great grandpas Doss and Villalobos, great-great grandparents Brown and Steede; cousin Mark Roman and great uncle Alfred Brown. She is survived by her parents, Anthony and Vanessa Villalobos; brother Nathan Anthony Ray Villalobos; grandparents, Mary Ann Ramirez, Rudy Duarte, Pablo and Debbie Hernandez and Rudy Villalobos; great grandparents, Jimmie Ann Doss, Sulema Villalobos and Mary Lou Pena; aunts and uncles, Priscilla Ramirez, Carlos J. Ramirez, Stephen Villalobos, Amanda Hernandez, Paul Hernandez and numerous other aunts, uncles, cousins, family and friends. You are already dearly and deeply missed love bug. We will carry you in our hearts forever. Believe in Miracles - TEAM GABBY.
