“ My deepest condolences to Gail’s loved ones. We attended St. Mary Magdalen, and then Robert E Lee High School, same graduating class. Gail was a kind-hearted person with a beautiful smile. It was a pleasure to meet and chat with Aunt Betty, Molly, and Debbie at the church. God bless each of you!

My deepest condolences to Debbie and the rest of her family. Gail was a kind and beautiful person. She was a great coworker and always share her delicious baked goods with us. RIP my friend, until we meet again.

“ I was so sorry to hear the news about Gail today. We were good friends in high school, and she was bridesmaid in my wedding in 1980. We lost contact after college. She was a truly good-hearted woman in every way, and very loyal to her family. I know she will be greatly missed.

“ I have many fond memories of working with Gail. My condolences to her family. The attached photo was of the team that worked behind the scenes to make SAC graduation happen. I believe the year was 2007.

“ I met Gail when I worked at SAC. I was the secretary to the Dean of Occupational Education and Technology. With Gail working in the Registrar's Office, she and I worked together in assisting students. She was always pleasant, professional, and helpful. She was a quiet person. My deepest sympathy to the family. The picture attached to her obituary is a nice one.
