“ My deepest sympathy to the spouse and family of Gail Pugsley. I am sure you have many wonderful memories of her long life together. The death of a spouse is different than any other loss, in the sense that it literally changes every single aspect of your life going forward. The way you eat, watch tv and even the family dynamic changes. You are now left with a new life you don't particularly want. Fortunately, there is a great scripture I want to share with you. Isiah 66:13 says: “ like a man whom his own mother keeps comforting, so I myself shall keep comforting you people.” So go in prayer and the God of all understanding and He WILL hear you and provide you with the comfort you need at this difficult time.
