“ Dad thank you for everything you have done for our family. I will honor you tomorrow but I would like to say I am happy you finally have peace. You were loved and respected by everyone you met. You left me with hours and hours of stories I can pass down to your grandchildren. Say Hi to grandma , grandpa, Uncle Rudy , and Uncle Gilbert for me. I love you dad...

“ *Uncle Galdino (I know Galindo) but that’s how I learned to say your name. You have always had the sweetest spirit. - that’s how I always felt around you when I visited you and Aunt Connie. And I understand that even some that you met on your walks to HEB were immediately endeared to you. Life is so fast and we all have jobs and responsibilities so that we didn’t get to visit often but when I did get to visit, I have always appreciated your smile and gleaming eyes that squinted when you smiled. Thank you for your kindness and I look forward to seeing those smiles again in heaven.*
