Gary Douglas Bryant, 60, a California native, passed away on June 20, 2025, in San Antonio. He was born on June 27, 1964, in Covina, California.

Gary was a proud Army veteran, with over 10 years of service. His dedication to others was seen when he assisted in Hurricane Katrina clean-up efforts and Hurricane Harvey rescues. Gary was also an accomplished Respiratory Therapist. Above all, Gary was a loving dad to his two children. He was also a great friend to many. He challenged people to meet their full potential, and for that his presence will be deeply missed by all who knew him.

Gary is survived by his children, Chris and Christina, his sister Tamara, and

his dog Atticus. He was preceded in death by his mother, Barbara Belbeck, in 2017 and father, Franklin Bryant, in 1992 and his service dog Humu, in 2024.
