“ My deepest condolences to the entire family. It's hard to say goodbye to a loved one, and I know that you are in a better place now. No more pain and suffering. The only thing I want to remember is when we would all get together either at my parents, or we would follow your parents to go meet up with the rest of the family and just party til who knows when that was when my dad and Tio Lee would start playing their guitars and start to sing. Those were the good old days. But, as we grew, we all went our ways. Ghoulie you always knew how to make everyone laugh, gonna miss you chingos, man. Just keep smiling man, til we meet up again. Love and miss you.
