

Gary Lee Tate

June 2, 1954 - April 22, 2025

Gary Lee Tate, born June 2, 1954, passed away peacefully on April 22, 2025. Gary was a loving husband to Sharon, father to Amanda and Matt, and “Pop” to Brayden, Emerson, and Amelia.

After high school graduation, Gary followed his father Maurice “Buck” Tate into the sheet metal trade, where he was a proud member of Sheet Metal Workers Local '67 until his retirement from Mueller & Wilson Inc. in 2018. Gary was a lifelong fisherman and hunter, and enjoyed few things more than fishing, hunting with a little car racing on side with family and friends.

In addition, for about 30 years, Gary was a dedicated and active member with the San Antonio Livestock Exposition. He served on the Operations Committee first as a volunteer, then life member, committee chairman director, and Director Emeritus.

Gary never met a stranger, from co-workers, to family, to friends, to fellow foremen, he would help anyone at any time. Whatever needed to be done he was always willing to pitch in to get the job done and usually had a great time doing it.

Gary was pre-deceased by his father, Buck, mother, Barbara, and sister-in-law, Patti Tate. He is survived by his wife Sharon, his daughter Amanda, son

Matt, and daughter in law, Kristin. He is also survived by his brother Steve Tate and sister Karen Tate Lares (Jesse), and his grandchildren, Brayden, Emerson, and Amelia Tate.

Gary was very much loved and will be missed by numerous nieces, nephews, and cousins. From his family to his friends, to his grandchildren that he absolutely adored, Gary lived a full life. He will be missed.

Donations can be made to The Alzheimer's Association of America.

“ I was surprised and saddened to hear of Gary's passing. We were the same age and entered our respective apprenticeships (I was an electrician) at about the same time. I sent numerous projects (large and small) to Mueller & Wilson for fabrication. Gary was always responsive and diligent about turning out quality work. We lost contact after our retirements but I will always remember his personableness and pleasantness. I am sorry I missed his services (I certainly would have attended), but I just found out the bad news from my brother in law, Wayne Katz, who knew him from the stock show.

May family and friends of his take comfort in your many fond memories of him.

“ Uncle Gary was always there when needed. He couldn't sit still or stop tinkering. I have 47 years of memories, but one that he shared with me every time i saw him since 2020, was how much he loved the visit to North Conway, NH. He was so happy on that trip... outdoors, fall, cool air, the mountains, jeeping and hanging out at the farmhouse. I know he's watching us from heaven and home with his mom and dad. I love you Uncle Gary.
