“Genevieve came into our lives 1 month shy of 9 years living with us throughout those years she was an amazing sweet lady that will forever hold a special place in our family’s hearts. We came to love her as part of our family. In the earlier years of living with us she would tell us stories of her past life and some of her accomplishments which she was very proud of. She showed us so much in the short time we were given the privilege of knowing her.
