“ *Ms. Herrera and Family,  
My deepest condolences on your loss, it was a great pleasure meeting his family. George was a wonderful person, always lending a helping hand, caring, a great listener and a true heart. Meeting someone like George is exceptional. While we worked in different departments I always kept in touch with him and his group through out the years. I enjoyed our conversations and will not forget his unique laugh. He spoke of his family quite often and by the way he would speak of them you knew there was love. It was a pleasure to meet you and to know you George. You are a void that will definitely be hard to fill. Rest in peace.*

*Sincerely  
Michelle Betancourt*

“ *I worked with George at the telephone company for many years earlier in my career. He was always thoughtful, generous, and a true gentleman. George had a great sense of humor and was always fun to be around. George really loved his family and they came first in his life. It was a privilege to know him and count him as a dear friend. His passing is a tremendous loss to anyone who knew him but George left this world a better place with his presence. My most sincere condolences and prayers go out to his family. Thank you for taking such wonderful care of George.*

*Sincerely,
