“ Dear Cecelia, George was the first electrician I ever worked with as an apprentice at Richie and Galloway. I could never tell you how much I enjoyed working with him and how much he taught me. I remember once when he invited my wife, Venice and I to go

“ My name is David Gonzalez and I am Member of IBEW LU 60. I did not work with George while he was at Richie and Galloway, I met him at the end of his career. He will be remembered as a kind and gentle man who was a professional. He will be missed.
