“ 2/22/18 - Happy Birthday Dad!! You would've been 96 years old today. We always talked about you living to 100 so that you could get the presidential recognition certificate. You almost made it! We miss you every day. You left so peacefully and quietly never having a medical crisis. We know you are with the Lord and God took you in His time. Everyone is pitching in to take care of the property. I brought Mom to Houston so she could be safe with me. Don't worry about anything. All is well. Love you always. Margie
