“ George. Or “Coach” as was called by all at our gym. Was my best friend. I was lucky to have known the man. A Loyal and Devoted Husband to His Loving Wife, Wanda. Always would say he was a very lucky man to have her. He always said, he didn't know what he would do without her by his side. Always had a smile. Anytime he was in our gym. You always knew when he was there. He had a loud laugh you could hear anywhere in there. It was infectious to all. And. Like I said... We were best friends. I am lucky for that
