“*Mary and I have been friends since 1960. We kept in touch through the years even after she moved to USA. Once, when I was visiting her, George had baked a cake for me. It was delicious and meant a lot to me as he had made the effort for me. Another time, some guests were invited while I was there and he had spent the better part of the day cooking--and he was enjoying himself. Needless to add, the meal was a huge success.*”

“ *My family and I visited San Antonio, Texas, US in the year 2019 and we stayed at Kusum & George Achayan's residence for about 3 to 4 days. We had a wonderful time at their place. That's the first time I ever got to know George Achayan very closely.*

I must say that both Achayen and Kusum took good care of us. George Achayan was a very jovial person. He cooked for us some lovely dishes. Not to forget (Poached eggs). It was awesome. Told us stories about his family and incidents while he was working for Holiday Inn.

George Achayan was indeed a gem of a person. Some memories never fade away.

He is now with the Lord. May His soul rest in everlasting peace.
