

## George Franklin "Sonny" Stahl

September 26, 1938 - September 26, 2016

George "Sonny" Franklin Stahl went to be with the lord on his birthday September 26, 2016. Sonny was born in San Antonio in 1938 to George Henry Stahl and Mary Irene Gerloff Stahl who preceded him in death. He worked as a marble mason for over 20 years and his work can be seen all across San Antonio. He loved to bowl with his wife Maria "Mary" and could roll a 700 series. He loved playing golf, football, and baseball when he wasn't working with his hands. He is survived by his wife of 42 years Mary, cousins James Ellis (Neva), Kathy (Bruce), Barbara (Paul) McComb, and the Gerloff cousins in Gonzales, TX, as well as numerous nieces, nephews, and other family members. In lieu of flowers memorial contributions may be made to St. Gregory the Great Catholic Church and School or the Presentation Nuns. Mary would like to thank everyone who helped to support her during Sonny's illness, especially the nurses and doctors at Methodist Hospital for being so nice and taking such good care of him.

The Rosary will be held Thursday, September 29, 2016 at 9:45 a.m. at St. Gregory the Great Catholic Church, followed by Mass beginning at 10:15. Entombment will follow at the Holy Cross Mausoleum.
