“ *Mr. Whitchurch was a wonderful man. I had done business with him and Fiesta Dodge since 1994. Over the years he extended courtesies I could have never dreamed of. He took me to his office to special order a car from the factory for my son in 2007. The car did not show up according to the timeline provided by the factory and my sons leave. When the car showed up 2 weeks later on a Friday night he had the dealership opened for me on a Saturday to deliver it so I could get it to my son in San Diego. In 2009 I bought my last vehicle as the dealership was closing a deal that could never be done again. Over all those years everyone I knew there thought of him and the dealership as family and I wish to extend my deepest condolences to Sherry, Kevin and the rest of the Whitchurch family. There are just so many stories that could be told about George you could write a book. God Bless and may you rest in peace George for a life well lived.*
