“ *My deepest condolences to Al, Janet and Ed. I just came across your mom's obituary today and I am so sorry for your loss. Your mom was amazing! She was the best neighbor we every had. I can still remember the first day we drove up to our fixer-upper house and she was in the front yard squirting water across the street at Shorty. It was amazing how long she continued to do her own lawn and took so much pride in it. Carlos and I have so many good memories of her and we loved her very much. Our boys, Aaron and Adrian, also have many memories of her too. She was able to see them grow up until we moved in 2007. After we moved, I tried to keep in touch and enjoyed visiting her when I could. I would look forward to running into her at La Fiesta. When we were at the restaurant nearby and I would see her car at La Fiesta, I made it a point to go inside and find her. I will miss her and she was very special to me.*

We will always remember your mom and continue to cherish the memories we have of her. May God give you the strength during this difficult time.

“ I have many many memories. My most treasured are, she was Grandma Georgie to my 4 kids. She was my dad's Sweetie and he was her Shorty. She was very kind, thoughtful, loving, she was always up for a game of dominos, or in the back yard throwing, horseshoes, listening to country music. She and her shorty loved to go dancing, shoot pool, go bowling, play the shuffle board, sit outside on the swing. She always had her home and yard in tip top shape, favorite colors are pink and green. Oh, and her beautiful face, hair, always had her nails done, she did that herself. Always there for me whenever i called. So much love to give.

Al, Janet and Ed, my thoughts an prayers are with you all. I will miss her tremendously.

Love Always

Cheryl
