“ We remember Georgia and Floyd as being not just our neighbors but as our family. Growing up we always were crossing the field going to and from each others homes. Those memories are for a lifetime.

“ *Charlie and Susan, i am so sorry to hear about the death of your mother. Georgia and Floyd were always generous and welcomed us kids into your home. Ann Henley notified me the other day of her loss and I just wanted to pay my respects . She was always a gentle soul and I have only fond memories of spending time in her home during our formative years . Unfortunately I was in San Antonio a couple of weekends ago at a meeting and it's just too darned far to try and return on short notice or I would attempt the trip from east Texss . My family will try and send something joyful to the service as a tribute to all the times she opened her home to all of us. We will be thinking of you and hope you can find comfort in what a sweet woman she was and how popular she was with us boys. I pray that the time she had since I've last her was filled with the joys of that seemingly large group of grand and great grand children . She was a gentle sole and always kind person . With my sincerest sympathies The Entire Randy Morton family .*
